**To:** Armann, Steve [Armann.Steve@epa.gov]  
**Subject:** Change of Venue and Time for the Riverside Ag Park Community Work Group Meeting

**Good Afternoon,**

Due to last minute difficulties in gaining access to Arlanza Elementary School, the venue for the Riverside Ag Park Work Group public meeting necessitated a change in both location and start time. Please be advised that the Wednesday, August 10th, Work Group public meeting will now be held at:

**Arlanza Community Center  
7950 Philbin Avenue  
Riverside, CA 92503**

Because the need to change the previously advertised venue location (Arlanza Elementary School) was communicated to the Department of Toxic Substances Control (DTSC) late yesterday, DTSC will also move the start time of the Work Group public meeting to 6:30 pm, to allow the public the time to reach the correct venue. Therefore, the Work Group public meeting **will begin at 6:30 pm (instead of 6:00 pm) and end at 8:30 pm.**

DTSC staff will be stationed at Arlanza Elementary School to ensure that members of the community are personally notified and given directions to the correct venue. If you have any questions about this meeting change, please contact Stacey Lear at (714) 484-5354 direct or via e-mail: [Stacey.Lear@dtsc.ca.gov](mailto:Stacey.Lear@dtsc.ca.gov)

For the more information about the Riverside Ag Park site, which is located at 7020 Crest Avenue in Riverside, CA, please visit the DTSC website at: <http://www.dtsc.ca.gov/agpark>
